4.0 Policy

Rely on Fire Check is an environmentally conscious organisation, and we acknowledge the potential impact that our activities may have on the environment. Rely on Fire Check are involved in design and consultancy to the fire safety industry.

Senior management has endorsed this policy and shall ensure compatibility within the context of the strategic direction of the company.

Senior management shall take all reasonable steps to ensure that Rely on Fire Check:

- Protect the environment, prevent pollution, and meet relevant commitments.
- Minimise waste to landfill by reducing waste generation by segregation and recycling where economical and feasible.
- Co-ordinate business transport to reduce consumption.
- Use energy, water, materials, and other natural resources as efficiently as possible, with regard to sustainability of consumable items.
- Considers the environment in procurement of goods and services.
- Considers the environment regarding the goods and services we provide to customers.
- Work with local businesses, neighbours, partners, or suppliers to encourage commitment and improvement of our local environment.
- Maintains support to other management roles to demonstrate leadership appropriate to their areas of responsibility.

This policy is communicated to all employees and organisations working for or on our behalf. Co-operation is expected to assist with implementation of this policy and ensuring that as far as is reasonably practicable, all work is conducted without risk to themselves, others, and the environment.

This policy will be reviewed annually by senior management and where deemed necessary amended and reissued.

The policy is made available to relevant interested parties on request.
